TUITION ASSISTANCE

We currently have three options for tuition assistance at St. Michael's School. The first option is the **Opportunity Scholarships of Nebraska (OSN)**. This is a state approved scholarship that gives the opportunity for parents to send their child (ren) to a nonpublic school for education. There are qualifying tiers that give varying criteria to qualify. There are many variables, like donor request funds only to St. Michael's or dollars available. We suggest that if you want assistance to apply for this scholarship. The place to start is at www.nebraskaopportunity.org to find out more information and to complete the application.

Our second option is the **Children's Scholarship Fund of Omaha (CSF)**. This national fund provides money for children to attend parochial and private schools across the country. The CSF requires that you qualify financially and invest \$500 per family in your child's education. Applications are completed online - please see instructions below. If you need help applying, please call school. The CSF has a "kickback" to St. Michael's School, so if you qualify, please apply for this tuition assistance!

Our second option is called the **Marguerite Rose Grant**. This is a local grant that was set up to meet tuition needs of students specifically at St. Michael's School. This grant also asks for a \$500/family investment. This grant has sufficient funds to support many students for years to come! This grant does not have to be repaid. The Marguerite Rose Grant application is enclosed
